FEDERAL REGISTER

The President's Securing Americans' Value and Efficiency (SAVE) Award initiative asks Federal employees to submit cost-cutting recommendations that will make government more effective and efficient while ensuring that taxpayer dollars are spent wisely. The 2010 SAVE Award winner suggested ending distribution of printed copies of the *Federal Register* to Federal Government offices. By the end of Fiscal Year 2010, Government offices held over 4,700 subscriptions to the printed edition. Government-wide cancellations of these subscriptions would save approximately \$4 million annually.

On April 25, 2011, the Office of Management and Budget (OMB) directed Federal agencies to cancel their *Federal Register* subscriptions by May 13, 2011. The agencies listed below have reduced or canceled their subscriptions to the *Federal Register*. For more information on the 2010 SAVE Award, see the OMB memo and the attached cancellation form that follows the list of subscriber cancellations or reductions.

MEMORANDUM TO ALL EXECUTIVE BRANCH DEPARTMENTS AND AGENCIES

FROM: Jeffrey Zients 
Deputy Director for Management, Chief Performance Officer

SUBJECT: Implementation of the SAVE Award in the President's FY 2012 Budget

The Securing Americans' Value and Efficiency (SAVE) Award is an Administration initiative that asks Federal employees to submit cost-cutting recommendations that will make government more effective and efficient while ensuring taxpayer dollars are spent wisely. As you may know, I announced this year's SAVE Award winner – End the Mailing of the *Federal Register* to Federal Government Offices – on November 15, 2010, and the President personally congratulated the winner earlier this year. This winning proposal was one of 18,000 submissions across the Government and is featured in the President's FY 2012 Budget.

The *Federal Register* is the daily publication of the Government that the public and Federal employees can easily access on-line via the Internet. However, by the end of Fiscal Year 2010 Government offices still held over 4,700 subscriptions for print versions of the *Federal Register*, resulting in unnecessary printing and postage costs. The proposed Government-wide cancellation of these subscriptions in the SAVE Award recommendation is expected to save taxpayers \$4 million or more annually.

Federal agencies shall use the accompanying form letter to communicate the cancellation of their subscriptions of the *Federal Register* to the Office of the Federal Register. By May 13, 2011, please send the completed accompanying form on official agency letterhead in PDF format to Karen Allen of the Office of the Federal Register at karen.allen@nara.gov. The Office of the Federal Register will post a list of agencies that cancelled their subscriptions on www.ofr.gov. Going forward, Federal agencies and their employees should access the official online edition of the Federal Register on FDSys at www.gpo.gov/fdsys/. An informational edition of the Federal Register is also available at www.federalregister.gov.

For questions regarding the overall implementation of this year's SAVE Award, please contact your OMB representative, or John Galloway in my office at 202-395-3892. For specific questions regarding your agency's subscription to the *Federal Register*, please contact Jim Hemphill or Karen Allen in the Office of the Federal Register at 202-741-6001.
